# INDEPENDENT AUDITORS' REPORT

### **INDEPENDENT AUDITOR'S REPORT**

September 13, 2022

Board of Directors DuPage Public Safety Communications Wheaton, Illinois

### **Opinions**

We have audited the accompanying financial statements of DuPage Public Safety Communications (DU-COMM), Illinois, as of and for the year ended April 30, 2022, and the related notes to the financial statements, which collectively comprise DU-COMM's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of DU-COMM as of April 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DU-COMM, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DU-COMM's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

DuPage Public Safety Communications, Illinois September 13, 2022 Page 2

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DU-COMM's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DU-COMM's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

DuPage Public Safety Communications, Illinois September 13, 2022 Page 3

### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the DU-COMM's basic financial statements. The supplemental schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Information**

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Lauterbach & Amen, LLP
LAUTERBACH & AMEN, LLP

### MANAGEMENT'S DISCUSSION AND ANALYSIS

### **General Information**

DuPage Public Safety Communications (DU-COMM) is an intergovernmental agency as defined in the Illinois statues (5 ILCS 220/1) formed in 1975 by our member departments to provide emergency communications services to police, fire, and emergency medical services.

DU-COMM is a large consolidated public safety communications center in Illinois and serves forty-four (44) member agencies and over 850,000 residents in DuPage and neighboring counties. DU-COMM receives requests for Police, Fire, and EMS via 9-1-1 and non-emergency lines. DU-COMM processes over one (1) million phone calls each year, including over 275,000 9-1-1 calls, and over 675,000 calls for service. Municipalities and fire districts have worked together to provide a high level of service to their citizens in public safety communications.

DU-COMM not only serves our member agencies, but is a critical communications hub for the Mutual Aid Box Alarm System (MABAS) Divisions 12 and 16.

Internally DU-COMM has three (3) departments: Operations, Support Services, and Administration. The Operations department is where Telecommunicators answer incoming 9-1-1 calls. DU-COMM has eighty-seven (87) full-time and two (2) part-time Telecommunicators, and three (3) part-time Alarm Operators, supervised by six (6) Communications Supervisors and managed by three (3) Communications Managers. The Operations department is supported by a Training Coordinator and two (2) Administrative Assistants and under the control of the Deputy Director Operations.

The Support Services department includes two divisions: Technical Services and Management Information Systems (MIS). Technical Services has three (3) full-time Technicians, a Procurement Specialist, and supported by the Systems Coordinator. The Technical Services staff is responsible for the maintenance and installation of agency radio infrastructure and DU-COMM facility. MIS is staffed with three (3) contract employees providing support and system administration for the agency and member departments related to communications or interfaces with DU-COMM. The Support Services department is under the control of the Deputy Director Support Services.

Administration includes the Executive Director, Deputy Director Operations, Deputy Director Support Services, Finance/HR Manager, Executive Secretary, Finance Clerk, and Office Assistant. The administrative staff provides support functions including payroll, benefit administration, finance, and overall management and leadership of the agency.

This Management's Discussion and Analysis is a required supplementary element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in its Statement No. 34. The purpose is to provide an overview of the financial activities of DU-COMM based on currently known facts, decisions, or conditions.

### **Financial Highlights**

- DU-COMM's Assets/Deferred Outflows exceed its Liabilities/Deferred Inflows by \$11,952,861 as of April 30, 2022
- Capital Assets of \$6,505,510
- Unrestricted Net Position \$5,414,137
- Net Position increased by \$2,443,142 from the previous year
- Total Liabilities/Deferred Inflows of \$5,982,479 includes accounts payable, accruals for payroll, compensated absences, Deferred items IMRF, total OPEB liability RBP, prepaid member agency facility costs, and other payables.

### Revenue

DU-COMM's Operations Fund (001) is funded primarily by member agency shares, assessed annually for dispatch services. The Board of Directors approved a new funding formula starting in FYE21, with a four (4) year implementation plan. Funding formula remained the same for the 77.8% of the budget shared by the police agencies and the remaining 22.2% split between the fire agencies. Police agencies are assessed a "per officer" fee based on the total number of sworn officers. The new funding formula for fire agencies used the "assessed value" of their districts per the county tax assessor's office (80% in FYE22 implementation) and calls for service (20% in FYE22 implementation).

The agency assessments are combined with additional revenue from: \$682,042 member agency facility lease payments, \$3,182 prepaid facility lease from capital reserve, \$90,800 ETSB Reimbursement for DEDIRS Radio Maintenance provided by DU-COMM Support Services staff, \$72,615 IPBC terminal reserve funds, \$2,000 board-up company registrations, \$100 subpoena requests, \$10,927 Hanover Township EMA's annual fee, \$7,457 IPRF annual safety grant, \$1,277 interest earned, \$25,000 Northwestern CDH Mobile Stroke Unit annual fee, \$40,416 rebilled purchases to member agencies, \$3,729 disposal/selling of equipment, \$1,638 Trident claim reimbursements, \$7,226 employee premiums paid while on leave, and \$323 miscellaneous revenues to fund our Operations Fund.

The Operations Fund (001) also benefits from \$272,599 of revenue from the Alarm Fund (009) to offset the cost of the three part-time Alarm Operators and Technicians, \$52,426 of revenue from the Tower Fund (006), and \$108,428 from reserve funds for subsidized/deferred costs to several fire agencies during the transition to the new fire funding formula.

The Capital Fund (004) is primarily funded by alarm revenue from the monitoring of municipal alarm boards of member agencies from the Alarm Fund (009). In FYE22 \$469,554 from the Alarm Fund was used and \$1,043,129 from capital reserve funds.

The Tower Fund (006) is funded by \$163,014 in fees generates by leasing tower space to private companies and outside governmental units. Additionally, in FYE22, \$73,600 from tower reserves was used to begin the new generator purchase needed to separate the Glendale Heights tower site from the 600 Wall Street site that was placed on the market.

### **Expenses**

The Operations Fund has the largest portion of expenses totaling \$12,853,981, accounting for 93.80% of all non-capitalized expenses. The largest expenses are: payroll, unemployment insurance, taxes, and benefits totaling \$13,491,870 (not including IMRF liability), representing 94.77% of the Operations Fund.

### Variations between Original and Final Budgets

Actual amounts for revenue and expenses were within the overall original budget approved by DU-COMM Board for the fiscal year ending April 30, 2022 with \$1,825,945 excess being added to reserves. There were no budget amendments in FYE22.

### **Capital Assets**

DU-COMM expended \$421,446 for capital assets in fiscal year 2022. Investment in capital assets decreased by \$220,545 which is the difference between the capital asset additions and the depreciation expense of \$641,991.

### **Economic Conditions**

Due to the current economic conditions, uncertainty of the financial impact of COVID-19, and state/federal funding limitations, DU-COMM acted responsibly in trying to maintain or reduce expenses and seek reimbursement from other government agencies in as many areas as possible. DU-COMM is in the process of applying for public assistance from FEMA/IEMA for all COVID-19 related expenses in FYE20 - FYE22.

### Contacting DuPage Public Safety Communications Board's Administration

The financial report is designed to provide a general overview of DU-COMM's finances, compliance with finance related laws and regulations, and demonstrate DU-COMM's commitment to public accountability. Question about this report, or requests for additional information should be sent to DU-COMM's address:

Executive Director DU-COMM 420 N. County Farm Rd Wheaton, IL 60187

Notes to the Financial Statements April 30, 2022

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of DuPage Public Safety Communications, Illinois (DU-COMM) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Dispatch Center's accounting policies are described below.

The government-wide financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant of DU-COMM'S accounting policies established in GAAP and used by DU-COMM are described below.

### REPORTING ENTITY

DU-COMM is a cooperative venture which provides equipment, services and other necessary items to operate and maintain a joint public safety communications system for the mutual benefit of participating members. As of April 30, 2022, 22 municipal police departments and 22 fire protection agencies (of which 11 are municipal fire departments and 11 are fire protection districts) located wholly or partially within DuPage County, Illinois are members of DU-COMM.

### **BASIS OF PRESENTATION – BASIC FINANCIAL STATEMENTS**

In the Statement of Net Position, DU-COMM's activities are reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations.

DU-COMM's net position is reported in two parts: net investment in capital assets and unrestricted.

DU-COMM utilizes proprietary fund type accounting. Proprietary funds are used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Goods or services from such activities are provided to members and are accounted for as enterprise funds.

### MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

### **Measurement Focus**

All proprietary funds utilize an "economic resources" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets/deferred outflows and liabilities/deferred inflows (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

Notes to the Financial Statements April 30, 2022

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

### **MEASUREMENT FOCUS AND BASIS OF ACCOUNTING – Continued**

### **Basis of Accounting**

DU-COMM's basic financial statements are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of DU-COMM are charges to members for services. Operating expenses for DU-COMM include the cost of services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

### ASSETS, LIABILITIES AND NET POSITION OR EQUITY

### **Cash and Investments**

For the purpose of the Statement of Net Position, the cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of purchase.

Investments are generally reported at fair value. Short-term investments are reported at cost, which approximates fair value. For investments, DU-COMM categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. All of DU-COMM's investments are in 2a7-like investment pools that are measured at the net asset value per share determined by the pool.

### **Interfund Receivables, Payables and Activity**

Interfund activity is reported as loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers.

Notes to the Financial Statements April 30, 2022

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

### ASSETS, LIABILITIES AND NET POSITION OR EQUITY – Continued

### **Deferred Outflows/Inflows of Resources**

Deferred outflow/inflow of resources represents an acquisition/reduction of net position that applies to a future period and therefore will not be recognized as an outflow or resources (expense)/inflow of resources (revenue) until that future time. The deferred outflows/inflows of resources have been added as a result of DU-COMM recording net pension liability related to IMRF and total OPEB Liability related to their retirement benefit plan.

### **Capital Assets**

Capital assets purchases or acquired with an original cost of \$10,000 or more are reported at historical cost or estimated historical cost. Donated capital assets are valued at their estimated acquisition value on the date received. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lived of the related capital assets, as applicable. Depreciation of capital assets are computed using the straight-line method with useful lives of 3 - 50 years.

### **Compensated Absences**

Vested or accumulated vacation leave of proprietary funds is recorded as an expense and liability of those funds as the benefits accrue to employees. In accordance with the provisions of GASB Statement No. 16, Accounting for Compensated Absences, no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

### **Net Position**

In the basic financial statements, equity is classified as net position and displayed in two components:

Investment in Capital Assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation.

Unrestricted – All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets." The Board has internally assigned portions of the unrestricted net position to show resources set aside for purposes shown below at year-end. Additionally, the Board during the annual budget process may elect to use existing net position balances to fund current year operations (use of reserves), which are also shown on the following page.

Total Use of Existing Reserves in Current Year	_	182,028

### NOTE 2 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

### **BUDGETARY INFORMATION**

Budgets are adopted on a basis consistent with generally accepted accounting principles. The Intergovernmental Cooperation Act does not establish budgetary requirements. However, the Bylaws for DU-COMM require that an annual budget be adopted and approved by the Board.

The Executive Committee prepares the budget. The budget is prepared by category and includes information on the past year, current year estimates, and requested assessments for the next fiscal year. The proposed budget is presented to the Board of Directors for approval and adoption. The budget for DU-COMM may only be adopted or amended by its Board of Directors. Expenses may not legally exceed budgeted amounts except as noted in DU-COMM's bylaws.

Notes to the Financial Statements April 30, 2022

### NOTE 3 – DETAIL NOTES ON THE BASIC FINANCIAL STATEMENTS

### **DEPOSITS AND INVESTMENTS**

Permitted Deposits and Investments – Statutes authorize DU-COMM to make deposits/invest in commercial banks, savings and loan institutions, obligations of the U.S. Treasury and U.S. Agencies, obligations of States and their political subdivisions, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and the Illinois Funds investment pool.

### Credit Risk, Custodial Credit Risk and Concentration Risk

*Deposits*. At year-end, the carrying amount of DU-COMM's deposits totaled \$6,110,337 and the bank balances totaled \$6,184,520.

Credit Risk. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Besides investing in security instruments authorized under State Statute, DU-COMM's investment policy states credit risk may be mitigated by limiting investments to the safest types of securities, pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisers with which DU-COMM will do business with, and diversifying the investment portfolio so that the impact of potential losses from any one type of security or from any one individual issuer will be minimized.

Interest Rate Risk. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. DU-COMM's investment policy states that interest rate risk may be mitigated by structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations and investing operating funds primarily in shorter-term securities, money market mutual funds, or similar investment pools. To the extent possible, DU-COMM will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, DU-COMM will not directly invest in securities maturing more than three years from the date of purchase. Reserve funds may be invested in securities exceeding three years if the maturities of such investments are made to coincide as nearly as practicable with the expected use of the funds. Any investment purchased with a maturity longer than four years must be supported with written documentation explaining the reason for the purchase and must be specifically approved by the Board of Directors.

Notes to the Financial Statements April 30, 2022

### NOTE 3 – DETAIL NOTES ON THE BASIC FINANCIAL STATEMENTS – Continued

### **DEPOSITS AND INVESTMENTS** – Continued

### Credit Risk, Custodial Credit Risk and Concentration Risk - Continued

Custodial Credit Risk – Deposits. In the case of deposits, this is the risk that in the event of bank failure, DU-COMM's deposits may not be returned to it. DU-COMM's investment policy requires that funds on deposit in excess of FDIC limits must be secured by some form of collateral, witnessed by a written agreement. In order to anticipate market changes and provide a level of security for all funds, the amount of collateral provided will be at a minimum of 102% of the fair market value of principal and accrued interest. Direct investments guaranteed by the United States or an agency of the United States government do not require collateral. At April 30, 2022, the entire bank balance was covered by federal depository or equivalent insurance.

Custodial Credit Risk – Investments. For an investment, this is the risk that in the event of the failure of the counterparty, DU-COMM will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. DU-COMM's investment policy does not mitigate custodial credit risk for investments.

Concentration of Credit Risk. This is the risk of loss attributed to the magnitude of DU-COMM's investment in a single issuer. DU-COMM's investment policy states that investments shall be diversified by limiting investments to avoid over-concentration in securities from a specific issuer or business sector (excluding U.S. Treasuries and Agency securities), investing in securities with varying maturities, and continuously investing a portion of the portfolio in readily available funds such as local government investment pools, money market funds or overnight repurchase agreements to ensure that the appropriate liquidity is maintained in order to meet ongoing obligations.

At year-end, DU-COMM does not have any investments over 5 percent of the total cash and investment portfolio (other than investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments).

Notes to the Financial Statements April 30, 2022

# NOTE 3 – DETAIL NOTES ON THE BASIC FINANCIAL STATEMENTS – Continued CAPITAL ASSETS

The following is a summary of capital assets as of the date of this report:

	Beginning			Ending
	Balances	Increases	Decreases	Balances
Nondepreciable Capital Assets				
Land	\$ 290,750	-	-	290,750
Depreciable Capital Assets				
Autos	367,835	-	-	367,835
Buildings	2,117,263	-	-	2,117,263
Computer Software	323,956	29,974	-	353,930
Microwave and Radio Equipment	8,572,687	391,472	-	8,964,159
Towers	866,043	-	-	866,043
Parking Lots	354,504	-	-	354,504
Leasehold Improvements	3,724,343	-	-	3,724,343
	16,326,631	421,446	-	16,748,077
Less Accumulated Depreciation				
Autos	299,223	20,424	-	319,647
Building	1,173,204	41,460	-	1,214,664
Computer Software	260,215	30,960	-	291,175
Microwave and Radio Equipment	6,526,037	392,270	-	6,918,307
Towers	806,971	2,037	-	809,008
Parking Lot	275,490	5,867	-	281,357
Leasehold Improvements	550,186	148,973	-	699,159
•	9,891,326	641,991	-	10,533,317
Net Depreciable Capital Assets	6,435,305	(220,545)	-	6,214,760
Net Capital Assets	6,726,055	(220,545)	<u>-</u>	6,505,510

The following estimated useful lives are used to compute depreciation:

Autos	5 Years
Buildings	50 Years
Computer Software	4 - 5 Years
Microwave and Radio Equipment	5 - 10 Years
Towers	15 Years
Parking Lot	10 Years
Leasehold Improvements	25 Years

### NOTE 3 – DETAIL NOTES ON THE BASIC FINANCIAL STATEMENTS – Continued

### **LONG-TERM DEBT**

### **Long-Term Liability Activity**

Changes in long-term liabilities during the fiscal year were as follows:

	I	Beginning			Ending	Amounts  Due within
Type of Debt		Balances	Additions	Deductions	Balances	One Year
Business-Type Activities						
Compensated Absences	\$	492,562	68,252	34,126	526,688	105,338
Total OPEB Liability - RBP		466,094	-	41,377	424,717	-
		958,656	68,252	75,503	951,405	105,338

### **NOTE 4 – OTHER INFORMATION**

### RISK MANAGEMENT

DU-COMM is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; natural disasters; and injuries to DU-COMM's employees. These risks are provided for through a commercial insurance policy purchased from independent third parties. DU-COMM currently reports all its risk management activities in the General Fund. There were no significant changes in insurance coverages from the prior year and settlements did not exceed insurance coverage in any of the past three fiscal years.

### EMPLOYEE RETIREMENT SYSTEM – DEFINED BENEFIT PENSION PLAN

### Illinois Municipal Retirement Fund (IMRF)

DU-COMM contributes to the Illinois Municipal Retirement Fund (IMRF), a defined benefit agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for local governments and school districts in Illinois. IMRF provides retirement, disability, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. IMRF issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole, but not by individual employer. That report may be obtained online at <a href="www.imrf.org">www.imrf.org</a>. The benefits, benefit levels, employee contributions, and employer contributions are governed by Illinois Compiled Statutes (ILCS) and can only be amended by the Illinois General Assembly.

Notes to the Financial Statements April 30, 2022

### NOTE 4 - OTHER INFORMATION - Continued

### EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLAN - Continued

### Illinois Municipal Retirement Fund (IMRF) - Continued

### **Plan Descriptions**

Plan Administration. All employees hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members. The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense and liability when due and payable.

Benefits Provided. IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

IMRF provides two tiers of pension benefits. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement. Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the *lesser* of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Notes to the Financial Statements April 30, 2022

### **NOTE 4 – OTHER INFORMATION** – Continued

### EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLAN - Continued

### Illinois Municipal Retirement Fund (IMRF) - Continued

### **Plan Descriptions** – Continued

*Plan Membership.* As of December 31, 2021, the measurement date, the following employees were covered by the benefit terms:

Inactive Plan Members Currently Receiving Benefits	30
Inactive Plan Members Entitled to but not yet Receiving Benefits	59
Active Plan Members	95
Total	184

*Contributions*. As set by statute, DU-COMM's Regular Plan Members are required to contribute 4.50% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. For the year-ended April 30, 2022, DU-COMM's contribution was 8.77% of covered payroll.

*Net Pension (Asset)*. DU-COMM's net pension (asset) was measured as of December 31, 2021. The total pension liability used to calculate the net pension (asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions. The total pension liability was determined by an actuarial valuation performed, as of December 31, 2021, using the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Normal
Asset Valuation Method	Fair Value
Actuarial Assumptions Interest Rate	7.25%
Salary Increases	2.85% - 13.75%
Cost of Living Adjustments	3.25%
Inflation	2.25%

Notes to the Financial Statements April 30, 2022

### **NOTE 4 – OTHER INFORMATION** – Continued

### EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLAN - Continued

### Illinois Municipal Retirement Fund (IMRF) - Continued

### **Plan Descriptions** – Continued

Actuarial Assumptions – Continued. For nondisabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return to the target asset allocation percentage and adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

		Long-Term
		Expected Real
Asset Class	Target	Rate of Return
Fixed Income	25.00%	2.00%
Domestic Equities	39.00%	4.50%
International Equities	15.00%	5.75%
Real Estate	10.00%	5.90%
Blended	10.00%	4.30% - 8.10%
Cash and Cash Equivalents	1.00%	1.70%

### **Discount Rate**

The discount rate used to measure the total pension liability was 7.25%, the same as the prior valuation. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that District contributions will be made at rates equal to the difference between the actuarially determined contribution rates and the member rate. Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all project future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the total pension liability.

# Pension Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to Pensions

For the year ended April 30, 2022, DU-COMM recognized pension revenue of \$563,765. At April 30, 2022, DU-COMM reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	O	Deferred outflows of Resources	Deferred Inflows of Resources	Totals
Difference Between Expected and Actual Experience	\$	733,477	(694,806)	38,671
Change in Assumptions		513,893	(762,483)	(248,590)
Net Difference Between Projected and Actual				
Earnings on Pension Plan Investments		-	(3,187,047)	(3,187,047)
Total Pension Expense to be Recognized in Future Periods		1,247,370	(4,644,336)	(3,396,966)
Pension Contributions Made Subsequent				
to the Measurement Date		225,883	-	225,883
	-			
Total Deferred Amounts Related to IMRF		1,473,253	(4,644,336)	(3,171,083)

\$225,883 reported as deferred outflows of resources related to pensions resulting from employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the reporting year ended April 30, 2023. Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense in future periods as follows:

	Net Deferred		
Fiscal	(Inflows)		
Year	of Resources		
2023	\$ (709,765)		
2024	(1,289,220)		
2025	(787,919)		
2026	(460,859)		
2027	(138,415)		
Thereafter	(10,788)		
Total	(3,396,966)		

Notes to the Financial Statements April 30, 2022

### OTHER POST-EMPLOYMENT BENEFITS

### General Information about the OPEB Plan

Plan Description. DU-COMM's defined benefit OPEB plan, DU-COMM Retiree Benefits Plan (DRBP), provides OPEB for all permanent full-time general and public safety employees of DU-COMM. SCRBP is a single-employer defined benefit OPEB plan administered by DU-COMM. Article 11 of the State Compiled Statutes grants the authority to establish and amend the benefit terms and financing requirements to DU-COMM's Board. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Statement 75.

*Benefits Provided.* RBP provides healthcare benefits for retirees and their dependents. Retirees pay 100% of the blended rate cost of coverage and 100% of blended rate cos of spousal coverage.

*Plan Membership.* As of April 30, 2022, the measurement date, the following employees were covered by the benefit terms:

Inactive Plan Members Currently Receiving Benefits	2
Inactive Plan Members Entitled to but not yet Receiving Benefits	-
Active Plan Members	106
Total	108

### **Total OPEB Liability**

DU-COMM's total OPEB liability was measured as of April 30, 2022, and was determined by an actuarial valuation as of April 30, 2021.

Actuarial Assumptions and Other Inputs. The total OPEB liability in the April 30, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	3.50%
Salary Increases	3.50%
Discount Rate	3.42%
Healthcare Cost Trend Rates	6.50% for 2022, decreasing 0.25% per year to an ultimate rate of 4.5% for 2028 and later years
Retirees' Share of Benefit-Related Costs	100% of projected health insurance premiums for retirees

Notes to the Financial Statements April 30, 2022

### **NOTE 4 – OTHER INFORMATION** – Continued

### **OTHER POST-EMPLOYMENT BENEFITS** – Continued

### **Total OPEB Liability** – Continued

Actuarial Assumptions – Continued. The discount rate was based on the 20-year municipal bond rates.

Mortality rates were based on the RP2014 base rates projected to 2021 using scale MP2020. No additional provision (besides those already embedded) were included for mortality improvements beyond 2021.

### **Change in the Total OPEB Liability**

	 Total OPEB Liability
Balance at April 30, 2021	\$ 466,094
Changes for the Year:	
Service Cost	19,247
Interest on the Total Pension Liability	9,592
Changes of Benefit Terms	-
Difference Between Expected and Actual Experience	-
Changes of Assumptions or Other Inputs	(42,972)
Benefit Payments	(27,244)
Net Changes	(41,377)
Balance at April 30, 2022	 424,717

### Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The discount rate used to measure the total pension liability was 3.42%, while the prior valuation used 2.12%. The following presents the total OPEB liability, calculated using the discount rate, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher:

	Current		
	1% Decrease	Discount Rate	1% Increase
	(2.42%)	(3.42%)	(4.42%)
			_
Total OPEB Liability \$	472,271	424,717	381,075

Notes to the Financial Statements April 30, 2022

### **NOTE 4 – OTHER INFORMATION** – Continued

### **OTHER POST-EMPLOYMENT BENEFITS** – Continued

### Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the total OPEB liability, calculated using a varied Healthcare Trend Rate, as well as what the total OPEB liability would be if it were calculated using a Healthcare Trend Rate that is one percentage point lower or one percentage point higher:

	Current		
	1% Decrease	Discount Rate	1% Increase
_	(Varies)	(Varies)	(Varies)
_			_
Total OPEB Liability \$	365,905	424,717	496,095

# **OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB**

For the year ended April 30, 2022, DU-COMM recognized OPEB expense of \$29,487. At April 30, 2022, DU-COMM reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of		Deferred Inflows of		
	Re	esources	Resources	Totals	
Difference Between Expected and Actual Experience	\$	-	(101,515)	(101,515)	
Change in Assumptions		75,849	(40,603)	35,246	
Net Difference Between Projected and Actual Earnings on Pension Plan Investments			-		
Total Deferred Amounts Related to OPEB		75,849	(142,118)	(66,269)	

Notes to the Financial Statements April 30, 2022

### **NOTE 4 – OTHER INFORMATION** – Continued

### **OTHER POST-EMPLOYMENT BENEFITS** – Continued

# **OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB** – Continued

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

	Net D	Net Deferred		
Fiscal	(Inf	(Inflows)		
Year	of Res	of Resources		
2023	\$	(3,838)		
2024		(3,838)		
2025		(3,838)		
2026		(3,838)		
2027		(3,838)		
Thereafter	(4	47,079)		
Total	(	66,269)		

### **CONTINGENT LIABILITIES**

### **Financial Impact from COVID-19**

In March 2020, the World Health Organization declared the COVID-19 virus a public health emergency. As of the date of this report, the extent of the impact of COVID-19 on the Center's operations and financial position cannot be determined.
